NOVEMBER 04th, 2024

We are pleased to confirm your visit to the Physics Department of Institut Polytechnique de Paris.

Monday, 4th of November 2024
Becquerel Lecture Hall

The program is as follows :

10:00 - 10:15 : Welcome and general presentation of the Physics Department of IP Paris

10:15 - 12:15 : Presentations of internship topics by future supervisors and discussions between students and supervisors

12:15 - 13:30 : Lunch in the "Salon d'Honneur" of Ecole Polytechnique -- please **confirm your presence in the google-form below !**

14:00 - 16:00 : Visit of IP Paris Physics laboratories and further discussions with future supervisors

Alternatively, in the afternoon, you can take part in a visit of the Mechanics Department, organised by Camille Duprat.

As we need to know the exact number of attendees as well as your preferences for the lab visits, we ask you to please complete the form (link below). Please note : the numbers for lunch are of course the most critical element. We can guarantee pizzas only for those who **register before Thursday 31st, 14h.**
